

Rapid Crush, Inc. Affiliate Program

Welcome to Rapid Crush, Inc. affiliate program! We are excited you are part of our team and are looking forward to working and growing with you.

Please read the information below to find most of the information you need to know about our affiliate program. And if you ever have any questions, please don't hesitate to ask our Affiliate Manager, Anna Haller (anna@rapidcrush.com).

Program:

We offer what we call a meaningful lifetime lead tracking program.

Affiliates get paid on everything we sell, regardless of whether they referred the customer to a specific product or not.

Affiliates keep getting commissions on all future sales until another affiliate refers that same customer. We track via cookies, IP, and in the database. When we promote anything to our customer list, we use naked links... Which means we never override affiliate referrals.

We call our program meaningful because we release 3 to 4 products every single month, so you have opportunities to earn commissions on new sales all the time. Other people offer lifetime lead programs... but if they only release 2 or 3 products per year, it does not mean a whole lot to the affiliate. With our program, affiliate promotion EPC's will keep climbing, and it is not uncommon to reach \$7-10 within 30 days on a low-ticket promotion... Often a lot more.

Systems:

We use Nanacast as a way to track, process and pay all affiliate promotions.

If you have not already registered please do so via this link: <http://nanacast.com/aj/119645>

Please ensure your Nanacast profile is filled out and the information (name, address, etc) matches the information on your tax form. Please also make sure that your payment info is accurate including your PayPal email address for PayPal payments.

If you have registered already please use this link to log in and see the list of all our products that you can promote as an affiliate. <https://nanacast.com/ma/119645/>

Payment:

We pay on the 5th of each month (or the next business day if holiday or weekend) for sales up to and including 35 days earlier. Example: Sales up to January 30th pay out on March 5th.

Once an affiliate has referred 200 unique customers they become eligible for weekly payments every Friday. In order to receive weekly payments you must achieve a minimum of \$500 in unpaid commissions as of Thursday night.

Please note the Friday payments are 80% of earned and unpaid commissions. The remainder will be paid within 35 days.

If you work with our affiliate manager, Anna Haller, she can help you set up high converting offers that will help you get to 200 unique buyers as quickly as possible.

Requirements:

Before any payments are sent to you we need tax forms on file. US Citizens or Residents require a W-9 form. Others will need a W-8BEN.

We verify W-9 forms with the IRS for accuracy, which takes approximately one week, so it is best to send us tax forms as soon as possible. If your forms are not received and validated by the regular payment date, you will be paid on the next regular payment date. Please upload your tax form here: <https://affiliates.rapidcrush.com/taxforms/>

We pay via PayPal MassPay, or if you do not have a PayPal account, we can send checks to those in the US. Wire transfers outside the US are also possible for values over \$2,000, however, we charge a \$50 processing fee to send wire transfers, which will be deducted from your commission due amount.

Exclusions:

Affiliates do not earn commissions for sales to themselves, immediate family members or business partners.
